On _____, we sold to _____ (hereafter referred to as the buyer) one German Shepherd dog for the full purchase price of \$_____. This sale is final. This is a purebred _____ (sex) whelped on _____. AKC papers have or will be given to the buyer.

This dog is guaranteed against crippling and severe hip dysplasia to one year of age. If such a condition is confirmed, the dog will be replaced with a puppy of equal value to be selected by the seller as soon as one is available. The dog must be X-rayed at the buyer's expense and the X-rays sent to the Orthopedic Foundation for Animals for the evaluation. If the veterinarians there verify crippling hip dysplasia, the AKC registration must be returned to us. This guarantee is not transferable.

We also guarantee our puppies against weak temperament or weak nerves. If this claim is made for such a condition, the animal must be returned to us for evaluation.

The buyer also understands that in the event that s/he is unable to provide a home for this pup at any time in the future, that s/he is obligated to call Grünberg Shepherds and give the breeder the first right of refusal. The buyer also understands that, if at any time, this dog is "tied" or "staked out", this guarantee is null and void. The buyer understands that s/he accepts full responsibility for this puppy which includes proper training, socialization, nutrition, and veterinary care.

I have received the above described animal and fully understand the conditions of this sale.
